**1 day per week at Truro College**

**Ellie says.....**

*I work 3 days a week at River Spa, do 1 day at Truro College to get my Level 2 Beauty qualification and also I am re-taking my Maths as I have to get a 'C' for my Level 2 Beauty. It's full-on but I know it will get me where I want to be when I'm older. I love the fact that I'm earning while I learn though and working in a team is great too!*

*I wish I had worked harder at Maths in school so I wouldn't have to do it again now! When I'm fully qualified there are a few things I'd like to do; work on a cruise ship so I can see the world a bit; work for a big beauty company up country; become a professional make-up artist or nail technician - there are lots of choices and opportunities in Beauty!*

**...the best thing I did**

*I got a Work Experience placement in Year 10 at River Spa which was the best thing I could have done! It was a great experience, and because I did my best while I was there the owner offered me a Saturday job and then an apprenticeship! So, getting work experience somewhere that you would like to work really pays off!*
