

# Wadebridge School

It is expected that students will bring with them a range of basic equipment to support their learning whilst at Wadebridge School. It is useful for your child to have a scientific calculator so that they learn how their particular model works, and to make them more confident in their use, both in mathematics and other curriculum areas.

**We would like to offer you the opportunity to buy a scientific calculator and pencil case containing a range of equipment;**

- Clear pencil case (suitable for exams)
- Casio FX-83 GTX
- Compass (with short pencil)
- 180° Protractor
- Ruler (30cm)
- Pencil eraser
- Pencil Sharpener
- Berol Handwriting pencil
- Berol Handwriting pen (black)
- Black biro
- Blue biro
- Red biro
- Green biro
- Glue stick
- Highlighter
- Post-it notes

**The cost for the complete set is £12.00**

- You also have the opportunity to purchase your child's Maths Homework Book, all pupils are encouraged to have a copy to assist their studies.

**The cost for this book is £2.60**

***You can purchase both of the items listed using the online payment system 'SCOPAY'. These sets will be distributed by Form tutors on your child's first day at Wadebridge School.***
