Dear Parent/Guardian,

I am pleased to be offering **singing** lessons and performance coaching at your child's school in the academic year 2020-2021.

The voice is the most expressive and flexible instrument of them all and lessons benefit any student wishing to pursue musical or theatrical performance at or beyond school. Good singing can also improve confidence and contribute to higher self-esteem and better physical fitness. My lessons focus very much on the needs and interests of the pupils involved and I select material of the right level that I know will be enjoyed. As with other instruments, graded examinations can be taken in singing and I can prepare pupils for these if required. Grade 5 is regarded as equivalent to GCSE level and can be a valuable addition to a student's profile. Higher grades are worth UCAS points. Pupils can specialise in popular styles, musical theatre or classical singing. Many choose to work towards auditions, competitions and/or public performances.

Singing lessons will take place during the school day on a rotating timetable and last for 30 minutes. Some break, lunch or after school times may be available. There will be ten lessons in every term. Fees will be requested at the beginning of each term and you may arrange to pay in instalments if you wish. For students new to singing, I am offering a 'group' option. This can be used to try out singing lessons but students who wish to take their singing further will eventually need paired or individual lessons.

If you would like your daughter/son to receive lessons, please email zoe@zalick.co.uk with the information below or fully complete the form and return to the school office. Given recent school closures and the disruption of transition arrangements, I am aware that pupils may be feeling a little unsure so please do contact me with any questions. I am teaching online now and will continue to do so through the summer so if your daughter or son would like to try singing lessons this would be an excellent way for them to get to know me and their voice before September.

Many Thanks,
Zoe Zalick (Mrs)
